DR. DUKHAN RAM DAV PUBLIC SCHOOL

On 18th July, With great enthusiasm and a deep sense of environmental responsibility, Dr. D. Ram DAV Public School celebrated "Green Day and Van Mahotsava". The occasion was marked by a series of engaging activities designed to inspire students to become conscious custodians of nature.

The celebration was graced by our esteemed Principal, **Dr. Bharati Nayak**, who addressed the students with a heartfelt and motivating message. She emphasized the vital role trees play in sustaining life on Earth and urged every student to take personal responsibility for protecting the environment.

Principals' Message

Van Mahotsava is not merely a festival — it is a reminder of our sacred duty toward Mother Earth. I am immensely proud of the enthusiasm and sincerity shown by our students during this celebration. Their energy reassures me that the future of our planet is in safe hands.

Let us carry the spirit of this day forward. Plant a tree, care for it, and inspire others to do the same. Remember — the best time to plant a tree was years ago, but the second-best time is Today.

Looking Ahead

The school will continue to integrate environmental awareness into its curriculum and activities throughout the year. We invite parents and community members to join us in our mission to nurture both young minds and the natural world.
