DR. DUKHAN RAM DAV PUBLIC SCHOOL

Gola Road, Danapur, Patna

7th October' 2026 | Vol- 02 | Danapur, Patna BIHAR

A unique confluence of education, skills, and art was witnessed today on the campus of the Footwear Design and Development Institute (FDDI), Patna. A grand cultural festival was organized on the institute's premises, where Satyakam Anand, a renowned actor from Bollywood's blockbuster film Gangs of Wasseyapur, was present as the chief guest.

On this special occasion, more than 100 students of classes 10 and 12 from Dr. D. Ram DAV Public School, Gola Road, Patna, toured the FDDI Patna campus as part of a career exposure visit (an industrial and educational tour). The school students closely observed various departments of the institute, design studios, and state-of-the-art modern laboratories. Experts here provided students with detailed information regarding the various professional courses conducted at the institute and the immense career opportunities available in this field in the future.

The cultural ceremony commenced with a melodious rendition of the Vande Mataram song. Following this, Chief Guest and Actor Satyakam Anand, Executive Director of FDDI Patna Neeraj Kumar, Director of Progressive Computer Center (Bihta) Himanshu Raj, along with other dignitaries, formally inaugurated the cultural event by jointly lighting the ceremonial lamp. Immediately after the lighting of the lamp, diverse and colorful cultural performances commenced.

Principals' Message

Learning extends far beyond textbooks, and our recent educational visit to FDDI Patna proved just that! Seeing over a hundred of our Class 12 students explore design studios, learn about emerging creative careers, and interact directly with actor Satyakam Anand was truly inspiring. I hope this hands-on exposure broadens your horizons and encourages you to pursue your passions with patience, hard work, and confidence. Keep learning and aiming high!

On behalf of the entire DAV Public School family, I extend our heartfelt gratitude to Executive Director Mr. Neeraj Kumar, the faculty, and chief guest Mr. Satyakam Anand for hosting our senior students for the Career Exposure Visit and Cultural Fest. The interactive sessions and access to your state-of-the-art labs provided our students with invaluable practical insights into modern professional careers. We look forward to more such enriching collaborations in the future.
